

Family History Questionnaire

For the next three months, the children will be learning about their heritage. We will identify the origin of their ancestors on a world map, and compile their family history and family photographs into a "Family Book". The children will share their family (photographs, drawings and this questionnaire) with the class and during the last weeks of school, the book will be part of our lending library. Your family's section will be returned at the end of the year.

I _____ was born in _____
(child's name) (city/state)

My mother's name is _____ She was born in _____
