

Journeys with God -- First Grade Supplies

Schools will need to support first grade teachers in purchasing a few items for the new curriculum. There are five items that you will want to make sure to get:

1. Jubilee Songbook and CD. Call Herald Press at 1-800-245-7894. The Songbook and CD pack cost 17.95. You may wish to purchase enough songbooks for your entire class. Please note that these may go out of print when the new Sunday school curriculum comes. Make sure to order now! The publishing house assures us that they will be around a little longer but there is no guarantee for how long.

You may wish to purchase enough songbooks so that each child in the class may look at one. Make sure to keep the songbooks in the classroom for following years. These may not be replaceable eventually.
